

MISSION STATEMENT

Rising Waters is an alumni and supporter appreciation club organized to support the UNI Women's Swimming and Diving Team.

CONTRIBUTIONS MADE TO THE UNI SWIMMING & DIVING PROGRAM:

We would like to take this opportunity to thank all the contributors to last year's goal of purchasing and installing the new starting blocks. They have contributed to better training in the pool for starts and relay exchanges, along with bringing our facility up to date and appealing to future Panthers. We could not have done this without all your support.

UNI SWIM & DIVE WISH LIST

Dear Alumni and Panther Swimming and Diving Fans,

We are excited about the next season of UNI Swimming and Diving. UNI comes off a historic season including 7 individual conference champions, sweeping the medley relays, and for the first time in history, we had the MVC Swimmer of the Year in Crystal Florman. In addition, the UNI Swimming and Diving team broke 10 team records and also for the first time had the MVC Elite 17 winner, which is given to the top student-athlete in the conference. Katie Taylor won the 200 IM and 200 backstroke while maintaining a 3.97 GPA in finance. The team also had 13 MVC scholar-athletes and 7 MVC All-Conference performers. Our team continues to succeed in the classroom posting better than a 3.5 GPA both semesters and was named the UNI Athletic Departments Community Service Award winner for our impact in the community.

We now turn our focus to a big season with a challenging meet schedule featuring meets against Iowa, Michigan State, Nebraska, Iowa State, North Texas among others. We will host several home meets and hope to see you all there in your Purple and Gold. The focus of our staff continues to be to provide our student-athletes the best experience possible while continuing to strive towards all they will accomplish when they finish their swimming and diving careers. We have renewed our efforts to involve our alumni in making the team competitive at the highest level.

The goal of Rising Waters is to support our current student-athletes by directly funding the purchase of new equipment to update and improve the meet and training experience. We would like to have as much involvement as possible by our alumni and fans in making this one of the most involved support programs in the Midwest. We want to help our student-athletes understand the rich history of our team while having the best environment possible at UNI. Thank you in advance for all your support.

Nick Lakin, Head Coach
