

**Happy 10th Anniversary of the UNI Volleyball Backrow Club!** We are so excited that our club continues to grow and we can't thank you enough for all your support over the years! We had a very memorable 2022 starting with our overseas trip in May that we were finally able to take. It was a wonderful combination of volleyball, exploring different cultures, service, and team bonding. Definitely a trip of a lifetime! We rounded out the year with an incredible season on court, in the classroom, and our growth as people. We continue to work hard building strong student-athletes and improving our volleyball program.

With that comes financial needs and this club is a major component of our fundraising efforts and assists our program to stay competitive with other programs throughout the country. Funds from the Backrow Club help us by:

- Purchasing needed recruiting, practice and match equipment and software
- Continuing to upgrade travel to cut down on missed class time
- Enhancing the volleyball student-athlete experience academically, athletically and with personal growth and development

Whether this is your first year or you've been with us over the last 10 years of this club, we thank you again for your much-needed support and ongoing commitment and dedication to our program and the student-athletes. You are the difference makers. The impact you have is immeasurable and will be something the student-athletes appreciate and take with them.
